### The Bankers' Meet at Stan- ford.

The Bankers of Groups 8 and 11, which means those of the Eighth and Eleventh districts, met in business session at Stanford Friday, some 125 or more strong, and spent the entire day in thrashing over matters concerning the banking business. It was a most representative body of men and nearly every bank in the districts was represented. Speeches were made by many of the gentlemen, including several of the Richmond bankers, who also took a prominent part in the deliberations of that body. The ladies of the Christian church agreed to furnish dinner and refreshments and royally did they do so. The noon meal was a most elaborate one, while the refreshments at the smoker were very delightful and were elegantly served. It was the intention of the entertainment committee to take the visitors on an automobile ride through the county, but the inclemency of the weather knocked out this part of the program. The smoker at the Opera House at night was a very enjoyable feature of the meeting. Mr. Kendrick Alcorn, a prominent young attorney, acted as the toastmaster and magnificently filled the bill. There were a number who responded to toasts, including our own Mr. R. E. Turley, who covered himself with glory. Other Richmond bankers present were Messrs. Walter Bennett, Samuel P. Deatherage and G. B. Turley.

The committee on resolutions, which was composed of Mr. Walter Bennett, of the Madison National Bank, this city, Joseph Bertram, of the Monticello Bank Co., Monticello, S. R. Lynd, Citizens National Bank, Louisville, Samuel P. Nichols, Boyle Bank & Trust Co., Danville, and W. P. Walton, of the Phoenix Third National, Lexington, presented the following resolution, which was unanimously adopted:

We recognize the need of immediate changes in our banking and currency systems and call upon our law makers to enact a law which will reduce the danger of panics to the minimum and put the currency system on a sounder and safer basis.

Other resolutions thanking the bankers of Stanford for their courteous treatment and delightful entertainment of them, the ladies of the Christian church who had charge of dinner and banquet, and Stanford people generally for doing so much for their delectation, were passed.

They also declare for a closer union between the mountains and the Blue-grass section and suggest that the 8th and 11th groups meet together next time and select some central point, easy of access to the bankers of both of the groups.

Mr. J. A. Quisenberry, cashier of the Citizens' National Bank, of Danville, was elected president for the ensuing term.

### Seeks Assistant Attorneyship

Judge J. J. Greenleaf, of Richmond, is another applicant for the place of Assistant United States Attorney for the Eastern district of Kentucky, and, it is said, he has a mighty good chance of landing the appointment, being strongly backed by influential friends. Judge Greenleaf, who presides over the police court of Richmond, is one of the best-known democrats in the Eighth district. He is well known in military circles, having been at one time a Major in the Kentucky State Guard. — Louisville Times.

### I Want Your Wool.

See me before you sell your wool. I am paying highest cash mark-t price. Plenty of sacks. Call at skating rink. Elmer Deatherage. 66 4t.

### Mr. Phelps Bought the Land.

Master Commissioner H. C. Rice sold at public auction Saturday last 30 1-2 acres of land lying on Muddy Creek, belonging to Robert Phelps for \$1 231.

### Lady's Dress Found.

I found in the city near the postoffice some days ago a lady's dress, which the owner can have by describing and paying the expense incurred in advertising it. W. D. Thompson, 117 Estill avenue, Richmond. 69 2t

### Strawberry Supper at Mt. Zion

The ladies of Mt. Zion church will give a strawberry supper at the church next Thursday night, 29th, and the public is cordially invited to come out and help in the good cause of raising money for the church.

### Three Small Farms at Auction

If you want to buy a nice, small farm the opportunity will be given you tomorrow, Wednesday, when the splendid farm of Tevis Rayburn, on the Lancaster pike, seven miles from the city, will be sold. See advertisement for further particulars.

### Three After The Place.

Representative Lewis B. Herrington, of Madison county, is in Louisville to day on business. He stopped over in Frankfort yesterday to attend a meeting of the State Geographical Survey, of which he is a member. Mr. Herrington, although solicited by friends, declined to stand for re-election to the Legislature because he could not devote the time from his business. He says there is plenty of politics in Madison county now, and three mighty good democrats in the race to succeed him as Representative. — Louisville Times.

### Made a Big Purchase.

Mr. Ben F. Hurst, of the Richmond Heating & Plumbing Co., went over to Winchester one day last week and purchased the stock of pipes and fittings carried by the Eagle Casting Co., which concern will handle that class of goods no longer. He sent part of it to Pineville, where he has the heating and the plumbing contract on the big Continental Hotel, which is under construction. The rest he shipped to his place of business here. The Continental Hotel, which will cost \$25,000, is to be one of the handsomest in the mountains and Mr. Hurst had a large bunch to bid against for the work here.

If you want Coffee of the finest cup flavor, try our Maxwell House Blend. It will please you. D. B. McKinney. 61-tf

### "Rich" on Hon. W. B. Smith

Hon. William B. Smith, of Richmond, one of the multitude who is seeking the Danville Collectors, has a rather unique record. He has voted for the Honorable Secretary of State William Jennings Bryan five times for President and stated this morning that he hoped to vote for him again. He is a great admirer of the Secretary of State. He asked if it would be possible to have an audience with the Secretary and he was told that with the record he had it would hardly be any trouble to get to see him. His record is as follows: He voted three times at the general polls and twice he was elected and cast his vote for the Secretary in the Electoral College. He was the only man who won out in the State of Kentucky during the stormy times of 1896, and he is very proud of this fact. Though he is eighty-one years of age, he is hale and hearty and looks like he will easily live to cast that sixth vote for Mr. Bryan. — "Rich" in Danville Advocate.

### Another Bumper Crop Year Indicated

It is rare that we have two bumper crops in years immediately succeeding each other, but if the government May report is to be relied upon even last year's high record will be broken. The report just issued by the Department of Agriculture shows the largest winter wheat acreage ever known in this country to be in fine condition, with an estimated excess over last year's crop of more than one hundred million bushels. The rye crop is estimated at five million bushels in excess and the new high record for hay, which was established last year, will be beaten this year, with a stock on hand at this time double as large as it was a year ago.

Nature seems to be smiling its broadest smile upon us, and unless something untoward happens prosperity will continue and increase. The Republicans have all along been claiming the credit for the good crops. It seems that they are to continue even under Democratic rule. To move this bumper crop will take more money than can be supplied under present conditions. The strain last Fall was almost greater than the country could bear. Thus forewarned Congress should get busy and give the country a banking and currency system that can withstand such strains, and not permit the basic wealth of the country to become a menace, as it does under the present system. — W. P. Walton in Lexington Herald.

### Antionette Stockton Hamilton Dead.

Mr. and Mrs. T. K. Hamilton have been called upon to give up their baby — nine months old Antionette Stockton, Saturday. The end came suddenly and without warning. Little Antionette had never been strong, but was not considered dangerously ill when her father left the home for his store that morning. A short while after his arrival he was phoned that she was breathing her last. The shock was a terrific one to Mr. and Mrs. Hamilton and in their great grief they have the unbounded sympathy of every heart in Richmond. May He Who tempers the wind to the storm lamb comfort them in their distress and give them strength in this dark hour. At 2:30 Sunday afternoon the little body was laid to rest in Richmond Cemetery. Dr. G. W. Crutchfield made timely remarks at the grave and an appropriate song was sung by Messrs. W. L. Arnold and Curtis Adams and Mrs. I. C. Ballard and Willie Traynor. The grave was hidden underneath beautiful flowers brought by loving friends.

### Your Chance to Buy a Small Farm.

On tomorrow, Wednesday, on the premises, seven miles from this city on the Lancaster pike, Harris & Speakes, the Paris real estate men and auctioneers, will sell the farm of Tevis Rayburn, which can be divided into three small and very desirable farms. On another page a drawing of the farm is printed and a description of the land is given. If this does not explain the matter clearly to you, call on either L. M. Scrivner or H. C. James, who will take pleasure in giving you further details.

COL. T. D. MARCUM, of Catlettsburg, is an applicant for the appointment of deputy commissioner of pensions, a position for which he is eminently qualified and for which he fills the requisite announced by the Secretary of the Interior that the appointee must be an honorably discharged soldier of the Civil War, on the Union side. Col. Marcum gave four of the best years of his life to the service of his country, when brave men were needed, and served most gallantly. Returning from the war he set about making himself useful in peace. For awhile he was a most successful editor and publisher and later served as Register of the Land Office with Gov. McCreary during his first term. He has always taken an active part in politics and no democrat of his section has done more to advance the interests of the party. His appointment to the office he seeks would, therefore, be a compliment to the old soldier and a graceful recognition of the worth of a true democrat and an accomplished gentleman.

THAT anniversary edition of the Interior Journal is a daisy and Editor Shelton M. Sautley is being warmly congratulated on his superb effort. There are 16 pages of it and it is profusely illustrated from first to last. The reading matter is of a very high class and the write-up of Stanford and Lincoln county is especially good. The paper was issued in celebration of its 5th anniversary, but in justice to Mr. Sautley we will state he has not been publishing it quite that long. He issued the big paper on the day the bankers met at Stanford and each gentleman present found a copy of the souvenir edition by his plate when he partook of the splendid dinner set by the ladies of the Christian church of that city. Editor Sautley is one of the best and most progressive newspaper men in the State and he is setting a pace with his Interior Journal that is making the rest of his country kump themselves to keep even in seeing distance.

THREE DESIRABLE SMALL FARMS

Having determined to quit farming, I have placed in the hand of Harris & Speakes, of Paris, Ky., to be sold at public outcry, on the premises, on

National Educational Association.

Kentucky is planning to send a large delegation to the National Educational Association convention at Salt Lake City July 8-14, 1913. Dr. J. G. Crabbe, the president of Eastern Normal School, of this city, is Director for Kentucky and has arranged for special railway rates. This meeting will be the greatest educational gathering in the history of the States. To hear the great leaders in education will be the privilege of those who attend.

Kentucky people can see Yellowstone Park this year cheaper than ever before. The trip will also afford opportunity to visit Bingham—the largest copper camp in the world; Ogden Canyon, "Over the Old Mormon Trail" and numerous other wonders of the Golden West.

### Had a Talk with Secretary Bryan

Hon. W. B. Smith is back from Washington where he spent several days very enjoyably last week. While at the capital he had the pleasure of a chat with Secretary of State William Jennings Bryan, who gave him a most hearty welcome. The Secretary remembered very well Mr. Smith, with whom he has addressed many democratic crowds in this and other States. "I am glad to see you again, Mr. Smith," said the Commiser, as he gave him a hearty grasp of the hand. The two had a friendly talk, during which our distinguished townsman may or may not have said something about his candidacy for the collectorship. Anyhow, Mr. Smith is back home wearing a smile and a satisfied air that is calculated to make the other applicants believe

he has heard something good. The trip was a very interesting and enjoyable one to Mr. Smith, who had not made it before in years. The C. & O., over which route he went, traverses much historic ground and the scenery for a good portion, is more or less picturesque. Asked if he felt good over his prospects for appointment, he smiled and said he had no reason to feel otherwise than satisfied. As stated in the Climax last week there are many democrats all over the State who would be glad to see Mr. Smith land the coveted plum and who will believe that if he does not do so, it will be because he did not make known his wishes in the matter earlier.

### Excursion to Cincy Sunday.

The L. & N. will run another excursion to Cincinnati Sunday at \$1.75 for the round-trip. Train leaves Richmond at 6:40 in the morning and returning leaves Cincinnati at 7 in the evening. One of the attractions offered is a ball game between the Reds and the New Yorks.

### Phelps Case Dismissed.

When the case against George Phelps, on the charge of detention was called this morning, Commonwealth Attorney Crutcher moved that it be dismissed because of a lack of jurisdiction. The motion was sustained and the case was dismissed. It is currently reported that a compromise was effected. This we are not in position to confirm or deny.

### Brought Good Prices.

The sale of the effects of the late David F. Sharp at Panola, Saturday afternoon, by Trustee John C. Chensault, was well attended and satisfactory prices were realized. The stock of goods was bought by W. R. Tudor for \$500; the lots of Panola went to Sam Parks for \$1,512 and the Estill county farm of 180 acres was bought by Ed Sexton for \$1,755.

### Hagan's Chances Bright.

News comes from Washington that the prospects of John J. Hagan's appointment as postmaster at Corbin are very bright and it is probable that the appointment will be made this week. Mr. Hagan is a brother of Mr. T. S. Hagan, of this city, and his younger days were spent in Madison county. He is a wheel-horse democrat and his work for the party entitles him to any recognition he may receive. Senator James is said to be very warm for him, which means that he is cock sure to knock the juicy plum. His legion of friends here hope he will, many of them having used their influence in getting for him what he so greatly desires.

### Death of Prominent Negro.

Ben Chenault, one of the best and most progressive negro farmers of this county, died at his home in the Foxtown section and was buried Friday. He is survived by his wife. He was not only a thrifty farmer, but a mighty good citizen.

### Mrs. Million Dead.

Mrs. Harriet Newby Million, widow of Twyman Million, died at her home in the Million section Thursday and the remains were laid to rest in the old family burying-ground at Newby on Friday. She was 85 years old and most of her long life had been spent in Madison county. She is survived by two sons, John and Shelby Newby, both sturdy citizens of this county. Mrs. Million had been a member of the church over 60 years and was a splendid woman in every way. She was the surviving member of a family of eleven. Her ten brothers and sisters each had large families, but she had only three nephews. They are Messrs. R. E. Million, of this city, Woodson Newby, of Newby, and Jesse March, of Woodford. A Godly mother has gone to join those on the other shore. May her splendid life be emulated.

### Madame Lund To-night.

This evening at 8 o'clock, at Normal Chapel, Madame Edna Lund, Swedish mezzo-soprano, will sing and Miss Irma Knapheide will give a dramatic reading of Madame Butterfly. These two artists will be assisted by Miss Edna Givynne, pianist and accompanist. Madame Lund is a singer of wide renown, having sung throughout the West and North during many years. She sings as one thoroughly possessed of the spirit of song and with deep emotional power. It is a rare treat to have with us such an artist as she. Miss Knapheide portrays a rare power of impersonation in Madame Butterfly. During the evening's recital she will read the entire cutting from Madame Butterfly, which must necessarily be to the delectation of those who hear her. Miss Givynne possesses unusual skill as an accompanist and as an artist she will satisfy every expectation. It will be an evening of delight and interest to every lover of good music and art.

### Church Notes

Next Sabbath is Foreign Missions day at the First Presbyterian church.

Rev. H. M. Quisenberry, D. D., will preach the Baccalaureate sermon for Caldwell High School at the First Presbyterian church next Sunday evening at 8 o'clock.

Dr. D. H. Scanlon gave a splendid report of the Presbyterian Pentecost in Atlanta to his congregation on last Sabbath morning. His report, which he made in lieu of his regular sermon, was a very comprehensive and interesting

one. Elder F. M. Tindler, pastor of the First Christian church at Lanesville, has returned from Burnside, where he held a revival that resulted in 15 accessions to the church, Bible school and C. W. B. M.

Rev. C. K. Marshall's regular appointments are: At Mt. Pleasant on mornings of the 21st and 28th Sundays of each month and at Kavanaugh school-house on the 1st and 31st Sunday afternoons.

Sunday, next, June 1st, is to be the biggest day in the history of our Bible school. We will be in the Sunday school rooms of the new church for the first time. We want every church member present. Come, bring your family

and friends. Next Sunday is children's day. Come and bring them. Good music. Come and be glad. J. W. Arnold, superintendent.

### Mr. Park Buys Valuable Hog.

Mr. William Park, one of our most industrious and influential farmers, has recently bought a hog that will be a great benefit to Madison county. The sire of this animal recently sold for \$5,000. For good stock, we certainly cite our farmers to the stock raisers of this county. It seems that each addition to the stock of Madison county is an improvement upon what they formerly had.

### Something You Need—

## A Guaranteed No. 40 "Wearever" Hot Water Bottle for \$1.50

As an all 'round necessity in every home, the ordinary hot water bottle is with out an equal, and as an example of our methods of retailing and of the quality of our Rubber Goods, this particular No. 40 "WEAREVER" Hot Water Bottle is without an equal.

Everybody needs a Hot Water bottle—and ought to have one—so we are going to convince you of the quality of our Rubber Goods by selling you something you need at a price far below what most stores charge for an article not so good. We think this "WEAREVER" Water Bottle represents the utmost in rubber goods quality. It is

### One-piece Construction No Seams or Joints to Open and Leak

and is vulcanized over a steel mould the exact size and shape of the bottle. Only the finest rubber is used, because it is necessary to take the bottle, when completely shaped, off this mould by pulling it through the opening in the neck. Of course second grade rubber won't stand that treatment.

### Easily and Quickly Filled

because the neck is large and the funnel so shaped that the water runs rapidly. Plenty of room to hold the bottle while filling it and no danger of scalding the hand. The method of construction of the bottle-neck eliminates all chance of a break or crack there. Convenient screw stopper. Very neat and trim and when full is pliable and presents a large surface. Handsome maroon color and absolutely guaranteed against any and all defects by the manufacturer—and we make good on the guarantee.

You could pay perhaps twice the price for a hot water bottle of inferior quality at some stores. By pricing our Rubber Goods at a reasonable figure we gain your confidence and sell more goods. The price of this bottle—\$1.50—is low for the article. It is not a special price, but a convincing example of how low our regular prices are. Everything else in our Modern Rubber Goods Department is marked at correspondingly reasonable prices.

You need a Hot Water bottle. Get it here and now. Save money and get a better article by securing one of these No. 40 "WEAREVER" hot water bottles at \$1.50 40 uses for this Hot Water Bottle are told in our Home Book on Rubber Goods. Be sure to ask for a Free Copy.
